

# Gilbert Camp & Dive

## August 29th-September 1st 2008

### Bring your 4 wheeler!

Explore the Land of 10,000 lakes with UWSA!

Lake Ore-B' Gone is the result of natural flooding of three iron ore mines. The Gilbert, the Schley, and the Pettit. Together these mines produced and shipped over 35 million tons of iron ore between 1902 and 1981! Since the flooding of Lake Ore B' Gone, it has become a popular summer dive haven for Minnesotans! Sunken jeeps and planes make their home at the bottom of Lake

Ore B Gone, and provide you with the opportunity of exciting underwater exploration! Ore B' Gone is the perfect summer getaway for divers and nature lovers!

We will be staying at Sherwood Forest Campground. Underwater Sports Adventure has reserved tent, water/electric, and water/electric/sewer sites for the Labor Day Weekend! We make it easy for you! All you have to do is look at the campground site map that is located at the front desk, and pick where you want to stay!

**Tent Site:** \$16.00 per night

**Water/Electric:** \$19.00 per night

**Water/Electric/Sewer:** \$21.00 per night

Be Part of the Adventure...Underwater Sports Adventure!
